

General Terms of Use

Last updated: September 27, 2026

1. Purpose

These General Terms and Conditions of Use ("GTC") are intended to define the rules for using the website **Gligz.com** and the services offered by it.

Gligz.com is a platform for simracing communities and organizers, allowing users to create, organize and follow leagues, races and championships, and to view calendars, rankings, results and statistics.

Using Gligz implies acceptance of these Terms and Conditions.

2. Service Provider

Gligz.com is published and operated by:

Kaelyst, a company based in VENCE (06140)

Email: contact@kaelyst.com

3. Accommodation

4. Service Description

Gliz offers a platform that allows users to:

- to create a user account;
- to manage a pilot profile;
- to create and administer leagues;
- to organize races and championships;
- to publish calendars;
- to manage participants;
- to publish results;
- to calculate and display rankings;
- to consult statistics and historical data;
- to access features related to sim racing.

The features offered may change over time.

Some features may be free while others may be offered later as part of paid offers.

5. Creating an account

Some features require the creation of an account.

The user agrees to provide accurate information when filling in mandatory information and to keep this information up to date when necessary.

The user is responsible for maintaining the confidentiality of their login credentials.

He agrees not to disclose his password to any third party and to inform Gliz as soon as possible if he notices any unauthorized use of his account.

When a connection via a third-party service is offered, the use of that service is also subject to that provider's applicable terms and conditions.

6. Profile and pseudonym

The user can have a pilot profile associated with their account.

The username chosen by the user may be made public and appear in particular in results, rankings, championships and statistics.

The user agrees not to choose a pseudonym:

- infringing on the rights of a third party;
- containing hateful, discriminatory or threatening remarks;
- presenting a manifestly illegal character;

- usurping the identity of another person;
- aiming to deceive other users.

Glitz reserves the right to modify, hide or delete a pseudonym that is clearly contrary to these Terms and Conditions.

7. Organization of races and championships

Glitz provides tools that allow users and organizers to create and manage sim racing competitions.

The organizers are responsible for the information they publish and the rules they define for their competitions.

They are notably responsible for:

- dates and times announced;
- race parameters;
- selected vehicles and circuits;
- sporting rules;
- registration procedures;
- sanctions and penalties;
- validation of the results;
- participant management;
- of any decision taken within the framework of their championship or league.

Glitz acts as a provider of the technical platform and does not replace the organizers in the sporting management of competitions.

8. Responsibility for the organizers' decisions

Decisions made by an organizer within the context of a race, league or championship are their responsibility.

Glitz is not responsible for, in particular:

- of a decision to exclude a pilot;
- of a penalty;
- of a change to the rules of a competition;
- of a change in a schedule;
- of the cancellation or postponement of a race;
- of a decision concerning the results;
- of a conflict between participants;
- of the behavior of a participant or organizer.

Users should first contact the relevant organizer for any disputes relating to a competition.

9. Accuracy of information

Gligz implements reasonable means to enable organizers and users to publish and manage competition-related information.

However, Gligz does not guarantee that all information published by users or organizers is error-free.

Gligz can correct or remove manifestly erroneous information when it is brought to its attention.

10. Results, rankings and statistics

The results, rankings and statistics displayed on Gligz are established from data entered or transmitted within the framework of the competitions.

They can be modified when an error is identified or when an organizer decides to correct a result.

Historical statistics are provided for informational purposes only and may depend on the data available on the platform.

Gligz does not guarantee that the statistics will fully reflect all of a driver's sim racing activities.

11. User Behavior

The user agrees to use Gligz in accordance with applicable laws and regulations as well as these Terms and Conditions.

He is specifically prohibited from:

- to use Gligz for illegal purposes;
- attempting to access other users' accounts or data without authorization;
- to bypass security mechanisms;
- to introduce malicious programs;
- to attempt intrusions;
- to intentionally disrupt the operation of the service;
- to massively collect data from Gligz without authorization;

- to use robots, scripts or automated systems that could degrade the operation of the service;
 - to publish manifestly illegal content;
 - to impersonate another user or organizer.
-

12. User-generated content

Users and organizers may publish information, images, logos, texts or other content on Gligz.

The user remains responsible for the content they publish.

He guarantees that he has the necessary rights to publish this content and undertakes not to infringe on intellectual property rights or the rights of third parties.

The user grants Gligz, to the extent necessary for the operation of the service, a non-exclusive license to host, technically reproduce and display the content that he publishes.

This authorization is limited to the purposes of operating, displaying and promoting the service and does not transfer ownership of the content to Gligz.

13. Trademarks and Intellectual Property

The name **Gligz**, its visual identity, its logo, its interface, its software developments, its databases, its texts and the graphic elements created for the platform are protected by the applicable provisions regarding intellectual property.

Unless prior authorization is granted, any reproduction, representation, modification or exploitation of all or part of these elements is prohibited.

Trademarks, video game names, car manufacturers, circuits or other elements belonging to third parties remain the property of their respective owners.

Gligz does not acquire any rights to these elements simply by virtue of their use or their inclusion on the platform.

14. Service availability

Gligz strives to maintain the service accessible under normal conditions.

However, the service may be temporarily interrupted, particularly for:

- maintenance ;
- update ;
- technological evolution;
- security incident;
- hosting outage;
- network problem;
- an event beyond Gligz's control.

Gligz does not guarantee permanent or uninterrupted availability of the service.

15. Evolution of functionalities

Gligz may evolve, modify, suspend, or remove certain features.

These changes may include, in particular:

- l'interface ;
- organizational tools;
- statistics;
- the rankings;
- features available for free;
- the features offered as part of paid subscriptions.

When a substantial change affects the contractual conditions applicable to the user, the user will be informed under the conditions provided for by the regulations.

16. Free services and paid services

Free features are offered according to the conditions displayed on Gligz.

Gligz may offer paid features or services in the future.

In this case, the applicable pricing conditions, payment methods, duration and termination conditions will be presented before any subscription.

No payment can be considered due if the user has not expressly subscribed to the service in question.

17. Personal data

Using Gligz involves the processing of certain personal data.

The methods of collecting and processing this data are detailed in the **Glizg Privacy Policy**, accessible on the website.

This policy specifies in particular the data collected, its purposes, the retention periods, the recipients and the rights of users.

18. Account deletion

The user can request the closure of their account in accordance with the features offered by Glizg or by contacting:

contact@kaelyst.com

Deleting the account results in the deletion or anonymization of personal data that is no longer needed.

Historical data necessary for the operation of rankings and statistics may be retained when anonymized or no longer allow the user to be identified.

Certain data may also be retained when justified by a legal obligation or a need for evidence.

19. Suspension or deletion of an account

Glizg may suspend or delete an account in the following cases:

- of violation of these Terms and Conditions;
- fraudulent use of the service;
- of attempted unauthorized access;
- behavior that could compromise the security of the service;
- of publishing manifestly illegal content;
- or more generally, behavior that seriously impairs the operation or security of Glizg.

When circumstances permit, the user may be informed of the reason for the suspension or deletion.

20. Limitation of Liability

Glizg provides a technical platform enabling simracing communities and organizers to manage their activities.

Glizg does not guarantee, in particular:

- the success of a competition;
- the number of participants in a race;
- the behavior of the participants;
- the quality or availability of third-party gaming services;
- the availability of game servers;
- the ongoing accuracy of the data provided by users;
- the absence of service interruption;
- the decisions made by the organizers.

Gliz cannot be held responsible for damages resulting directly from a decision made by an organizer or participant in the context of a competition.

This limitation applies subject to mandatory legal provisions which cannot be excluded or limited contractually.

21. Links to third-party services

Gliz may contain links to sites, services or platforms operated by third parties.

Gliz is not responsible for the content, operation or practices of these third-party services.

The use of these services is subject to the terms and policies of their operators.

22. Third-party video game data and services

Gliz can allow the display or management of information relating to video games, gaming platforms, vehicles, circuits or other third-party services.

Gliz is a service independent of these publishers, manufacturers or platforms, unless explicitly stated otherwise.

Names, trademarks and elements belonging to third parties remain the property of their respective owners.

23. Applicable Law

These Terms and Conditions are governed by French law.

In the event that any provision of these Terms and Conditions is declared null and void or unenforceable, the other provisions shall remain in effect.

24. Dispute Resolution

If you encounter any difficulties using Gligz, please contact Kaelyst first at the following address:

contact@kaelyst.com

The parties will seek, as far as possible, an amicable solution before any legal proceedings.

When required by applicable legal provisions, the consumer user retains the possibility of resorting to legal mechanisms for mediation and out-of-court dispute resolution.

25. Amendment to the Terms and Conditions

Gligz may modify these Terms and Conditions to take into account changes to the service, its features or applicable regulations.

The applicable version is the one published on Gligz.com on the date of use of the service.

In the event of a substantial change, users will be informed in a manner appropriate to the significance of the changes.
